

# DÉJÀ VU RYE WHISKEY

**Five & 20 Spirits and Brewing, Westfield, NY**

**Alcohol:** 90 proof/45% ABV

**Grain Bill:** 80% NY rye and 20% NY barley malt

**Aging:** Minimum 18 months in charred American oak barrel, then finished in our Riskey Business (Rye Pale Ale) beer casks for an additional 10 months.

**Distilling Notes/ Aging Notes:** This whiskey started out in new, charred American oak barrels that provides the robust caramel and vanilla notes which balance the spiciness of the rye. After this initial aging, the whiskey is transferred into freshly emptied Riskey Business beer casks from our own brewery. Because the casks came from our own brewery, they were filled with whiskey within 24 hours of the beer being removed. This ensures the freshness of the barrels which provides the maximum flavor and aroma impact. The extra aging in these beer casks gives the whiskey a sweeter, fruitier character that complements the spice and caramel notes of the rye whiskey.

**Suggested Cocktail Recipe:** Enjoy this special expression of our Rye Whiskey neat, on the rocks or with a splash of water.

**Awards:** NY International Spirits Competition – NY Rye Distillery of the Year 2019
